

Edible Gold

Masserini's edible gold is a 24 carats 999/1000 genuine gold: the purest one. The pure gold is more easily applied and absolutely sound and safe for the consumer: it is stainless, it does not cause allergy and it is antibacterial.

The Masserini's edible gold thoroughly complies with the requirements of the Directive 95/45/EC dated 26th 1995 for food colour E175 (gold).
